If a guest makes a reservation within a five-day arrival date, balance is due at time of booking. A deposit of \$100 is required on reservations less than 30-days and \$150 is required for each monthly reservation. Balances are due 5-days prior to the start of a reservation date, the charge to the credit card on file is automatic. Cancelled reservations must be made prior to the 5-day arrival window to avoid the non-refundable balance being charged. *All reservation deposits and balances paid in full are non-refundable.* Weekly and monthly reservations at the time of booking will be entered at the weekly and/or monthly rates. When a guest is on a reservation less than one week or one month and they want to extend their reservation, the extension can be made based on lot availability, but discounted rates are not calculated when days are added. No refunds are issued for early departure except for in the event of a government mandated evacuation due to inclement weather. Additional payment and refund policies are outlined in specific sections throughout these Terms and Conditions. Traveler's checks, cashier's checks and major credit cards are welcome.

CANCELLATIONS: No refunds are available on any deposit. Balances on all reservations are processed 5-days prior to the arrival date. All cancellations made within the 5-days prior to arrival become non-refundable. No-shows are also considered as cancellations and no refunds are given. While every effort is made to endorse and complete a verbal request to cancel a reservation, guests are responsible for ensuring an email is received confirming the cancellation.

RENT, OCCUPANCY, UTILITIES, MISC CHARGES: Rental rates are based on a 6-person occupancy regardless of age. Among the charges found on your confirmation are Rent, Taxes, and Processing Fees. Monthly rates do not include electric fees. All electric used will be billed in addition to the monthly rate at \$0.14/kw and applied to the guest's credit card on file at the end of the month. Nightly & Weekly rates include all utilities except when guests are traveling in motorized electric vehicles. All reservations with guests traveling in motorized electric vehicles will be billed in addition to the rental rate at \$0.14/kw and applied to the guest's credit card on file at the end of the reservation. Meters will be read the day of arrival and the day of departure. Other fees may apply (motorcoach or vehicle wash, unreturned/lost gate cards, propane tanks *(when available)* for grills/fire pits, toy box storage facility, or tow tags, etc.). Change fees are applied to the guest credit card at the time the change is requested, and fees are non-refundable. Where date adjustments result in needed property changes, or when a guest requests to change a property, the original deposit will not transfer to the new property. The original deposit is forfeited and not transferrable. Reservation changes from one season to another season If a new reservation is required, a new deposit for that property is also required. Property change requests are based on availability and are not guaranteed. Credit card charges for changes or cancellations have an additional 3% credit card fee applied.

SEASONAL RATES: At Bella Terra we have established two seasons. Our “Peak” Season runs the first Sunday before Thanksgiving, and it runs through April 30th of the next year. However, if you have booked a reservation and it has been confirmed, the rate at which it was booked will be honored.

Military and FMCA discounts may not be combined; a 10% discount is the maximum discount permitted. Discounts do not apply on all lots. Nightly additions to weekly or monthly reservations are not discounted. Guests are responsible to ensure appropriate identification and memberships are presented at check in.
